## Modern Topics in Mathematics

### *Homework #1*

**DUE Friday, February 6, 2006 by the beginning of class (no late work is accepted).**

Your homework will be graded on the following items:

1. Completeness: An honest attempt on each exercise.
2. Presentation: See the note below.
3. Spot checked for correctness.

Homework must be completed on standard 8.5" x 11" paper, stapled in the upper left corner with your name on the first page. Homework that is difficult to read will receive a lower score.
