Modern Topics in Mathematics

Homework #8

DUE Friday, May 1, 2009 by the beginning of class (no late work is accepted).

Your homework will be graded on the following items:

1. Completeness: An honest attempt on each exercise.
2. Presentation: See the note below.
3. Spot checked for correctness.

Homework must be completed on standard 8.5" x 11" paper, stapled in the upper left corner with your name on the first page. Homework that is difficult to read will receive a lower score.

Chapter	Exercises
21	Ex: 2,4,5,6,15,17,23,25,26,27
